Suggested Changes in Proposed DCID 15/1

1. Page 1, para 1 d.

"Each agency in fulfilling its departmental requirements for economic intelligence will give, etc."

Reason: may be in conflict with para. 6 of draft NSCID 3.

2. Page 2, para 2, line 4.

Substitute "interests" for responsibilities, as in para. 7 of draft NSCID 3.

3. Page 4, para. e and f.

Should be numbered paragraphs, as they are not allocations of responsibilities.

4. Page 5, para (2).

Delete and substitute the following, "Periodically survey the facilities and arrangements available to produce foreign economic intelligence relating to the national security, and where appropriate, recommend changes to the IAC."

Reason: More in accord with draft para. 19 of draft NSCID 1.

5. Page 6, para (5).

Add the following lead-in, "call upon departments or agencies who are not members of the IAC as appropriate to ensure that, etc."

Reason: To clarify meaning of this para.

6. Page 6, para (6).

Delete and substitute. Name an executive agent for the production of economic intelligence reports which transcend the responsibilities of any one agency. Provide a mechanism for the coordination of such reports, either in whole or in part as appropriate, and arrange for their publication as EIC papers. Provide such other staff support as may be requested by the executive agent.
